REQUEST FOR RECONSIDERATION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Office Action dated November 18, 2004, the following remarks are submitted.

The only issue raised in the Official Action involves the Declaration originally submitted with this application. In particular, the earlier Official Action dated June 1, 2004 indicates that the originally submitted Declaration is defective because it does not identify the mailing address of each inventor. However, it is believed that the originally submitted Declaration does identify the mailing address (post office address) for each of the named inventors. Attached is a copy of the originally submitted Declaration in which the mailing address for each inventor is highlighted.

In the event the undersigned has not properly understood the grounds of objection set forth in the Official Action, the undersigned respectfully requests that he be contacted at the number indicated below.

Early and favorable action with respect to this application is respectfully
requested.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.
